

An Introduction to Children's Mathematical Graphics

The Williams Mathematics Review Teachers Share Their Insights

9 February 2010

**£110.00 per delegate including Lunch
and Book**

- This day will give you up to date knowledge about the Williams Maths Review and the recommendations.
- An insight into how teachers plan and support children's thinking through their mathematical graphics.
- Ways to assess children's mathematical graphics.
- Planning the environment and small group sessions to enable children's mathematical thinking.
- Starting points to develop this in your school and setting – reviewing your written policy for mathematics.
- The day will be lead by Elizabeth Carruthers and Maulfry Worthington authors of the book Children's Mathematics, Making Marks, Making Meaning and five teachers from different phases of education, Nursery through Key Stage One.

For further details please contact Shirley Clough on 0117 9030344
